3. ACTUAL ON-SITE INFRASTRUCTURE PROGRESS

* Ground reality photo: Wide demarcated asphalt boulevards, solar streetlights, and green boundary walls.

Main arterial boulevard paved with heavy-duty asphalt and stormwater drain

Interlocking concrete paver internal avenues with underground utility corridors.

Grand entrance gateway with gated access control and manned security guard

Secured high perimeter boundary walls with continuous day/night CCTV monitoring.

Flower beds, shaded sit-outs, walking track, and manicured green spaces.

Safe recreational grounds with swings, slides, and non-slip safety grass.

Dedicated underground power conduits and pre-laid potable water supply p

Autonomous dusk-to-dawn solar street illumination on every avenue and corner.

Zero leasehold encumbrances. Complete land title is vested permanently with the buyer.

Registry documentation ready on demand with official mutation (Dakhil Kharij) recorded.

Verified and eligible for home and land loans with leading PSU and private banks (SBI, HDFC, PNB, ICICI).

Every plot is pre-demarcated with solid concrete boundary corner pillars on site.

Visiting Hours: Monday to Sunday, 09:00 AM – 06:30 PM (Free Pickup & Drop Available)
